

## OFFICES

Through our daily efforts to provide excellent orthopaedic medical care for our patients, the physicians and staff of **Orthopaedic Surgery Specialists, Ltd.**, strive to recognize and treat the needs of each patient. The atmosphere we foster is one of respect, compassion and courtesy.

Our comprehensive approach to understanding our patients and treating their orthopaedic conditions serves as the cornerstone of our practice and is the foundation upon which we will continue to grow and build. We are committed to working hand-in-hand with the patient and parent to provide today's optimal outcomes.

With two pediatric orthopaedic surgeons in the practice, **Orthopaedic Surgery Specialists Ltd.**, is one of the largest groups in the Chicagoland area devoted to the care of children and adolescents.
